SeekTeachers London Recruitment Fair- January – February 2015

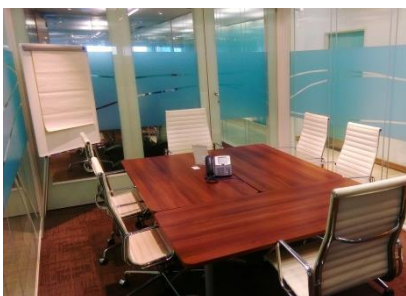

We are hosting a number of London Recruitment Fairs for our expanding network of schools.

We currently have a number of schools signed up from the UAE who are visiting the UK to interview the candidates and choose who they would like to recruit to work in their school. For more info about [SeekTeachers](#) check out our [e-brochure](#)

Now, how we can help you:

- Face to face interviews with the clients
- Pre interview preparation by your consultant to give you a better chance of securing a role
- The opportunity to ask questions from the clients
- Alternative options of schools to choose from
- A great way of networking with other teachers and discussing recruitment opportunities

I have attached some photos of our offices based in London, Canary Wharf where we will be hosting our Recruitment Fairs.

- Western qualified Teachers
- Faster, easier and more efficient Recruitment
